Description

A Watch Makers Shop Trades Sign, Giant Pocket Watch What a great piece to hang outside a Watch or Clock Shop, this one was made in the 1900s, it is totally 3 dimensional, a giant gold watch which can be suspended by its Bow ring, but originally it was fixed from the back on a long screw thread The clock has been restored, the face has been re enamelled and the glass is also new, so in very good restored condition, it did have a movement inside originally, this has now been replaced with a Quarts movement, so working A great and very rare decorative piece, wether worn but still looks great, be warned it is large and very heavy The Sign is 35" high and 22" in diameter and 18.5" deep TCE54

Internal Ref: TCE54
