Description

About as special as they get and something I haven't come across before. Opening the original presentation case reveals a superb pair of silver plated fish servers with hand carved handles. One makes these highly sought-after is the beautifully engraved scene of a dog running through the brush with ducks flying out together with a plethora of engraved ferns. The fittings to the hand carved horn handles are exquisite. The reverse of the knife is fully marked for LEVESLEY BROTHERS & LLOYD of Sheffield. Beautiful quality and condition; the knife measuring 13 1/2", the fork, 10"; the case measuring 14 1/2" x 4 3/4" x 1 1/2". Victorian in era, dating to c.1890.
