

SA629976

Art Deco Tempo pocket watch and chain

Price

Sold**Item Reference: SA629976****Date of manufacture: 1920**

Description

Straight out of the Art Deco era, a stylish Tempo pocket watch and chain. The watch has a good quality 15-jewel Swiss stem-winding movement which is working nicely. The watch measures 47mm diameter excluding the stem and the loop. The case is gold filled and it is in lovely condition. The acrylic lens is in good condition. The dial is signed Tempo, a name registered by Adolphe Haecker of La Chaux de Fonds and Bienne. The first Tempo watches appeared in the mid 1920s. Also included is a single chain, 31cm long. The chain is of the same age as the pocket watch and they sit very nicely together. The watch and chain will be sent in a new presentation box.
