Description

A substantial, very well cast pair of coloured, Spelter Alsation dogs, sat on a striking, marble base. Made in France. Circa. 1930. No damage to the dogs. A nibble to the marble in the left bottom corner of the marble base, as you look at it from the front, which is shown in a photograph. This is minimum, does not distract from the piece, but needed for an accurate description. In very good condition.
