Description

A magnificent and very grand late Victorian three bottle tantalus dating to c.1900. The frame is made from silver plate with a fabulous handle to the top and highly decorative end panels. The lock comes with a working key and when unlocked the barrel is pushed down to release the top bar allowing access to the three cut crystal decanters. The bottles are most unusual with a cut swag or garland design and a star cut base. The frame is fully marked for the well renowned Birmingham silversmith, Deykin and Harrison, this particular mark used between 1895 to 1907, making this a late Victorian or early Edwardian example. Superb condition. The frame footprint measures 16 1/4" x 6 1/4" and standing 13 1/2" tall to top of handle. Each decanter measures 3 1/4" x 3 1/4" and standing 8 3/4" tall.
