Description

A beautiful small mahogany chest of drawers dating from the mid 19th Century. Excellent quality and very well made with a lovely rich patina. The chest stands on turned bun feet and the oak lined drawers have turned their original wooden handles. The drawers open well and are generally clean and tidy inside. It is in good condition for its age. There are the usual signs of age and use, some minor knocks, marks and stains and a small chip on one edge but nothing detrimental. They are strong and sturdy and display beautifully. They have been given a clean and a gentle polish and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton.
