Description

A very attractive and decorative, old pine single armoire dating from around c.1910. Recently stripped, exposing a clean and tidy bare wood. It is now ready for waxing or painting. In our opinion this would look very nice painted in a light shade. Ornate/decorative pieces, with crown tops, look beautiful in a paint finish. Please let us know of your requirements. The original lock and key are in good working order. This armoire totally dismantles for access and delivery. The internal depth of 20", is deep enough to accommodate suit and coat hangers. The fitting of a new brass hanging rail is included in the price. Please contact us for a quote for painting. Height 83", width 47", depth 24.5", internal depth 20"

Internal Ref: C4103E
