Description

Pair of Chinese yoke back armchairs This pair of Chinese yoke back armchairs were made in the 19thc. This style of chairs is named as yoke back as the back rail extends beyond the width of the seat resembling the yoke of oxen. Typical of Chinese furniture the design is timeless and so these would fit in with modern furnishings as well as a more traditional setting. This pair of chairs have an interesting history as they until recently had been for decades in the accommodation of St. Pauls cathedral in London 60cms wide 24ins 117cms high 46ins 53cms deep 21ins Whilst we take great care measuring the sizes may not be exact. We can arrange delivery nationwide; we also have a very reliable and good delivery service of single or multiple items to Ireland. We can also obtain a quote for items to be shipped overseas This item carries the Hingstons Antiques product guarantee plate. This gives you the peace of mind that any item with this on, is of the quality and condition expected when purchasing from us. PRICE MATCHING Antiques are unique, and it is impossible to price match in the normal way. Please consider the quality of product, and the care taken in our restoration, before...
