Description

Charming pair of antique gilt bronze lamps with marble bases all in good original condition & in working order. They are finely detailed all over & the cherubs are delightful. The gilding has worn over the years as you can see when you enlarge the images, but that's all part of the character. Some people like to re-gild to make them look new, but I don't like that look. I would date these lamps to around the 1890-1910 period. Width - 7 inches, 17 cm Depth - 7 inches, 17 cm Height - 17 inches, 43 cm
