Description

Antique mahogany 'Butlers Tray' table with a lift off tray top sitting on fold up legs. It's in excellent condition & a very useful item. The tray top has a panelled middle, brass hinges & fold down sections with handles. The legs fold down to show 'X' framed sides & they have turned stretchers in-between them. This is a nice looking piece of furniture & I would date it to around the 1920-30's period. Width - 30 inches, 76 cm Depth - 22 inches, 56 cm Height - 30 inches, 76 cm
