Description

Boxed 1920s Limit pocket watch. The watch has a signed stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is 10ct gold filled and it is in beautiful condition. The watch glass is in good condition. The signed dial looks good to the naked eye. If you angle the watch at a certain angle, you can see a scratch through the sub seconds dial and another next to it, about 5mm long. The watch comes in a vintage Limit presentation box, it is tatty but still good to have.
