Description

This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. This is the Flagship Automatic with date facility with a calibre 345 fully automatic movement. The fully restored dial is in superb condition. It has a Longines winding crown and comes with a Longines buckle. It has just been professionally serviced and a new glass has been fitted. The case has been professionally polished so is pristine. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a brand new quality black leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. The watch has been fully serviced and is guaranteed to be a genuine Longines in all respects. It has been professionally serviced and overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part i...
