Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. Omega 18ct square ladymatics are very rare indeed this is the only one we have seen in over ten years. The dial is in mint condition having been fully restored. It has the Omega logo on the winding crown. The fully automatic calibre 661 movement with 24 jewels is Omega's highest grade ladies movement. The case is of solid 18ct gold and the bracelet is of solid 9ct gold and fits a wrist size of up to 6 inches. It comes with its box and paperwork and also three different leather straps, a black textured leather, brown textured leather and black patent gloss leather. We will also include a special tool to change them. The case and bracelet have been professionally cleaned and polished so it is absolutely pristine. As you would expect from Omega the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 20mm square not including the crown.
