Description

Pair of antique Queen Anne style walnut bedside chests on shaped legs all in excellent condition & dating to around the 1930's period. The tops are burr walnut with cross banding & the drawers which have original brass handles are also burr walnut. They have solid walnut legs with shell carvings on the tops. These bedsides could also be used as side tables. It's getting hard to find these pairs especially in walnut & these are a lovely mellow colour.
