Description

A late Georgian dropdial wall clock by noted makers Webster of London. A 12" painted dial signed 'Webster London No. 6020'. A cast brass bezel surround and blued steel hands. A mahogany case with the original side carvings. Brass and mother of pearl inlays to the case trunk with a brass edged pendulum aperture. An 8-day duration timepiece fusee mechanism. The Webster family of London are well recorded in various clock reference books with illustrations. This example dates to circa 1830. From Kembery Antique Clocks Ltd. you can expect a genuine antique wall clock that is in full working order and sold with 12 months guarantee. Please contact us for more information.
