Description

Mint condition, professionally serviced with 12 month warranty. Outstanding Omega solid 9ct gold gents wristwatch with rare harlequin dial. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch has the calibre 610 17 jewels movement, highly reliable and beautifully made, as you can see it is in fabulous like new condition. The two tone harlequin dial has the quickset date and it is in perfect condition, the effect almost disappears depending on the angle of view which gives the watch that added interest. A new glass has been fitted and the case professionally cleaned and polished so is in exceptional condition. As you would expect the watch is fully marked on the dial, movement and case. The case is fully hallmarked on the back. It has a slim case making this a perfect dress watch. It comes complete with a new premium quality leather strap in a colour of your choice and a heavy solid wood presentation box to keep your watch in perfect condition. If you need an extra long strap this can be fitted. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that unde...
