Description

A lovely mahogany side table with Arts and Crafts influence dating from the late 19th / early 20th century. It's oval top is carved away at the edges to give the appearance of a thin elegant top. It is excellent quality and well balanced, sitting on four well made splayed legs with inset diamond shaped covers over the fixing holes. The legs are similar in design to the Liberty & Co Thebes range although it carries no mark. It is in very good condition for its age. It is strong and sturdy with no major damages and a nice patina. There are some signs of age and use, some light surface marks on the top and small knocks around the legs but nothing detrimental. It has been cleaned and gently polished and is ready for use.
