Description

Fine quality & elegant antique mahogany writing table with a tooled leather writing surface & satinwood inlays. The drawers are finely dovetailed, oak lined & have the original brass handles. The legs are tapered with the original brass capped casters. This desk is beautifully made & at first glance it looks like it's Georgian from the 1790's. However, I think it's more likely a very well made Edwardian piece from the 1890-1900 period. Length – 32 inches, 82 cm Depth – 21 inches, 53 cm Height – 29 inches, 74 cm Kneehole Height – 24 inches, 61 cm
