Description

Good 18th century George 3rd blue glass and silver topped mustard pot. The mustard pot is a multi faceted side shape with cut decoration. The silver top section is nicely engraved with a very nice pineapple finial to the top. The lid is hallmarked inside. There is a little play in the hinge as to be expected with a piece this age but apart from that it is in very good condition for its age. SIZE; 2 1/4" by 2 1/4" by 4 1/2" high CIRCA; 1770 - 1780
