Description

A truly superb Refectory Farmhouse Kitchen Dining Table, a very early example having only 2 Oak planks for the top, you hardly ever see this. Hard to date exactly but either late 18th or very early 19th Century. The trestle end supports have pegged joints, the table is strong and sturdy and a good size able to seat 12 people. The lovely original patina and colour are perhaps its finest feature. We were extremely pleased to find this very rare table and I am sure it would grace any home.
