Description

Fine quality antique French marble top mahogany console side table in excellent original condition, with well cast gilt bronze mounts & feet. There's also a beautiful gilt bronze urn sitting on the middle of the cross stretchers between the legs. Along the front are painted porcelain plaques of flowers, that could be Limoges & are encased in gilt bronze mounts. These are all set into kingwood panels with satinwood inlays. The mahogany turned legs are tapered & fluted. The original marble top is in good condition too & lays loose on the top. I would date this table to around the 1930's period. Width - 42 inches, 106 cm Depth - 14 inches, 36 cm Height - 30 inches, 76 cm
