Description

Antique French Kingwood side table with an oval top & a kidney shaped bottom shelf. It's in very good original condition & the pattern of the kingwood is really nice. I say it's kingwood, however it could actually be oyster wood & it has a kind of parquetry effect which runs all the way around this table & on the tops. This table has gilt metal mounts, handles & feet. It's of high quality & I would date it to around the 1910 period. Width – 16 inches, 41 cm Depth – 12 inches, 30 cm Height – 27 inches, 69 cm
