Description

A vintage 1925 Waltham pocket watch. The watch has a stem-winding movement, Traveler grade, which is working nicely. The movement is fully signed and the serial number 25,022,247 dates it back to 1925. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding crown and the stem. The case is gold plated and the condition is good, just a couple of slight indentations to the back. The acrylic lens has minor marking from use but overall it is in nice condition. The signed white dial is in good condition and has blued steel hands, a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box.
