Item Reference: SA635014

Date of manufacture: 1930

Description

Mid-size 9ct gold cushion cased wrist watch, 1931. This is a piece that a watch maker appears to have assembled some time ago, using components from watches from the 1930s era and the result is aesthetically very pleasing. The watch has a good quality 15-jewel hand-winding movement which is working nicely. The watch itself measures 27mm wide excluding the winding crown and 27mm high excluding the lugs. The case is 9 carat rose gold and there are hallmarks inside the case back for Glasgow (import mark), 1931. The front of the case is in good condition. The case back has some gentle unevenness. The lens is in good condition. The dial is signed Tissot and it has a lovely muted look (but the watch is not a Tissot). Red centre seconds hand and outer minute markers. The watch has a vintage leather strap (with 9ct gold buckle) which finishes off the look handsomely. The watch will be sent in a new presentation box.
