Description

Good clean small 19th century Chinese carved rosewood occasional table. Was probably originally the smallest one of a set of nest tables. Great quality wee table with bamboo type carved frame. All the original carved panels to the frame with solid rosewood top. The table is in good condition with no damage and no repairs. Would make a great table for the side of a sofa. SIZE; 14" by 8" by 19" high CIRCA; 1870 - 1880
