Description

Antique Waltham Royal pocket watch and chain. The watch has a Waltham Royal stem-winding movement (with tadpole regulator) which is working nicely. The movement is fully signed and the serial number 5,075,312 dates it back to 1892. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold filled and it is beautifully detailed to the front and back, including images of a bird and a chapel. The lens is in good condition. The dial is signed by the original retailers of the watch, Fattorini & Sons of Bradford. The watch comes with a decorative single albert which measures 21cm long including the T-bar and the clasp. The watch and albert will be sent in a new presentation box.
