Description

Victorian mahogany extending dining table This Victorian mahogany extending dining table would have been first made circa 1870. The dining table stands with a turned leg to each corner. The classic solid mahogany turned and fluted in design down to the solid brass cup with rolling china castors under. The table opens out on a patent telescopic winding mechanism. https://www.gracesguide.co.uk/Joseph_Fitter Once extended, you can add the leaves to suit your seating requirements. The original 2 extra leaves also are made of solid mahogany. You may use this table with any combination of leaves, or of course closed with no leaves set in place. This makes this a very versatile table that will seat 10+ Imagine entertaining at this dining table with your family and friends. It will give you much pleasure and the table will look superb in your own home. 211cms long fully extended with the 2 leaves in place 83ins 135cms wide 53ins 74cms high 29ins 120cms closed without leaves in place 46ins The 2 leaves each 46cms 18ins All measurements are approximate This Victorian dining table is a finite item that also is a very green product that has not affected the environment we live in. ...
