Description

An extremely attractive silver and tortoiseshell trinket box. Styled in oval form, the box is made from nicely plain polished silver with a protruding rim around the base and around the top of the lid. This emphasises the wonderful tortoiseshell lid. Hallmarks are visible on the base underneath the box for the Birmingham Assay Office with a date mark for 1925 and Lion Passant indicating the finest sterling and the Maker's mark is also clear for the renowned silversmith: Mappin & Webb. (Partial hallmarks can also be seen on the front of the lid). The box stands on four handsome feet. The lid is hinged at the back and opens and closes perfectly to reveal an ivory coloured velvet interior. The base of the box is covered with a nice brown leather. This is an excellent box, beautifully crafted and in lovely antique collector's condition. The proportions are perfect and it is a good size (see dimensions). Hallmarks and maker's marks: Birmingham 1925 by Mappin & Webb. Dimensions: Height: 5 cm approx. Width: 12 cm approx Depth: 7.9 cm approx. Weight: 204.4 grams (a good heavy weight).
