Description

This antique mahogany armchair is very well designed & extremely comfortable. I think it would make a perfect desk chair. It's in excellent condition & so is the original rush seat. If you enlarge the images & look at the side profile, you will understand why it's so comfortable. The sloped back & back rails are all curved & well shaped. The seat too is curved. The arms, back & front legs are all very elegant. It's a very high quality piece. I would date this chair to around the 1890-1900 period. Width – 22 inches, 56 cm Depth – 23 inches, 59 cm Height – 38 inches, 97 cm Seat height – 17 inches, 43 cm
