Description

A very fine solid silver Milk Jug. The lovely baluster body has a neat wavy line border. It stands on three attractive feet and has a nice loop handle. Very clear hallmarks are visible on the base of the jug for the London Assay Office with a date mark for 1937 and Lion Passant indicating the finest sterling silver and silver makers marks for the silversmith Edward Barnard & Sons Ltd. Lovely proportions, this jug feels nice when picked up by the handle and is a good heavy gauge silver. It stands firm and straight! Condition: In very fine antique collector's condition. Measurements: Height: 10 cm approx. Width from handle to spout: 9.8 cm approx. Diameter width: 5.6 cm approx.
