Description

Antique 1906 Waltham pocket watch and chain. The watch has a stem-winding movement, grade 610, which is working nicely. The handsomely patterned movement is fully signed and the serial number 14,982,653 dates it back to 1906. The movement is protected by an inner movement cover. The watch measures 50mm diameter excluding the winding stem and the crown. The case is gold plated and it is in good condition. The case was made by the Dennison Watch Case Company who made the majority of the cases for Waltham UK. The watch glass is in good condition. The watch comes with a single chain with two button hole fittings, the chain measures 30cm long including the T-bar and the clasp. The watch and chain will be sent in a new presentation box.
