Description

High quality antique early Victorian mahogany chest of drawers in excellent original condition, free from splits or warps. All the drawers are graduated in depth & have flame mahogany fronts, with locks & original turned handles with mother of pearl insets. The bottom drawer is extra deep, as it pulls out attached to the plinth. This chest has a solid mahogany top & sides, with curved corners & flat bun feet. It has a lovely warm original colour & I would date it to around the 1860's period. Width – 47 inches, 118 cm Depth – 21 inches, 54 cm Height – 48 inches, 122 cm
