Description

Sturdy Rustic Pine Farmhouse Table The table has a 1" thick plank pine top with slightly rounded edges. The table legs are square stout and very strong, they have a double H stretcher, the strongest combination. This is a good size table, it is sound and does not or wobble the table top has been attacked by Wood worm but this is the rather unique appeal of this rustic piece, all the woodworm is treated and dead. The table can seat 4 along each side and 1 at each end making 10 in all. This Family and friends size rustic dining table is 72" long, 28" wide and 30" high. TAV90.
