Description

Gents 1968 Omega Geneve wrist watch. The watch has a hand-winding movement, calibre 613 with 17-jewels, adjusted two positions, which is working nicely. The movement is fully signed and the serial number 26,697,600 dates it back to 1968. The watch measures 34.5mm diameter excluding the winding crown and the lugs. The case is stainless steel and the front is in lovely condition. The inside of the case back is signed with the Omega logo together with the case reference 136.011 which is correct for the calibre 613. The case back has a surface scratch. The winding crown has the Omega logo. The lens is in good condition. The signed dial is in its original subtly textured finish. Quickset date. A later leather strap has been fitted. The watch will be sent in a new presentation box.
