Description

Pair of large antique Art Nouveau decorated glass panels on original frames & dating to around the 1890's period. The decoration on the glass is stunning & different on each one. They are the same size & were obviously made at the same time to complement each other. We have just cleaned them up a bit & they are in good original condition. Please enlarge all the images to see all the fine designs & details on the glass & on the frames. They came out of an apartment in Chelsea & belonged to quite a famous actor.
