Sold**Item Reference: SA638931****Date of manufacture: 19th Century**

Dimensions

Height = 7 cm (2.8")

Width = 38 cm (15.0")

Depth = 7 cm (2.8")

Description

Good mid 19th century leather cased solid brass 3 draw telescope in full working order. The leather is a pleasing colour and is in good condition with nice patination. The small end of the telescope has its original sliding brass lens protector. There is knurled decoration to the brass in various places which is a nice feature and shows the quality of the telescope. The telescope is in good condition for its age. SIZE; 37" long when fully opened. 15" long when closed CIRCA; 1850 - 1870
