Description

Edwardian large size travelling truck with fully fitted interior in completely original condition by WHATAJOY of LONDON. Blue leather exterior with brassed fittings and studs. Domed top so the trunk can not be placed the wrong way round when filled. The outside of the trunk has several old shipping labels from various companies, all first class. The name on the trunk is LAWSON. All the closing mechanism works perfectly OK but the lock is missing. The interior is as good as I have ever seen for one of these, it is absolutely immaculate. Would make a great display item in a themed pub or restaurant. SIZE; 41" high by 22" wide by 16" deep CIRCA; 1900 - 1910
