Description

Good small size early 18th century Queen Anne solid oak six plane sword chest in very good condition for age. The design of this sword chest is slightly unusual with the front and back parts over-lapping the sides slightly with sleigh type bearers under the top. The iron lock, lock plate and clasp are all original. The long iron hinges are early Gerogian replacements as you can see a slight mark where the original shorter ones where. The chest is in very good condition with no worm, damage or repairs and is a lovely colour with waxed finish. SIZE; 38" long by 12" deep by 15" high CIRCA; 1700 - 1720
