Description

Gents antique silver Dimier Freres trench watch. The watch has a Swiss hand-winding movement which is working nicely. The watch measures 35mm diameter excluding the later winding crown and the fixed wire lugs. The case is silver and there are hallmarks inside the screw-on case back for London (import mark), 1916, with a maker's mark for Dimier Brothers. The case is in very nice condition. The front cover has a small lens surrounded by Roman numerals. This front cover is opened by pressing the small button to the side of number 4. Inside there is a glass lens which is in good condition. The white enamel dial is in good condition. The infill has come out of the hour and minute hands. Subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box.
