Description

Antique Omega pocket watch and chain. The watch has a nicely jewelled stem-winding movement which is working well. The movement is signed with the Omega name. The watch measures 50.8mm diameter excluding the winding stem and the loop. The nickel case has a some marking/mild bruises but overall the condition is good for such an early piece. The inside of the case back is stamped with the early Omega mark. The glass lens is in good condition. The dial is signed with the Omega logo and the Austrian retailers name Wilh-Kollmer, Wien, the dial has several very faint hairline cracks and an old repair at 4 o'clock although hardly noticeable. The watch has its original gold coloured hands. The watch comes with a single fancy link nickel chain, 31cm long including the clasps. The watch and chain will be sent in a new presentation box.
