Description

Gents 1950s Moeris Skyrouter wrist watch. The watch has a signed Swiss 17-jewel hand-winding movement, 10½ CD, which is working nicely. The watch measures 34.5mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in lovely condition. The winding crown is signed with the Moeris logo, as is the screw-on case back. The case back also states that the watch is waterproof but, as with any vintage watch, it should be kept away from water and moisture. The lens is in good condition. The signed dial is in lovely original condition with original dauphine shaped hands, centre seconds hand and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box.
