Description

Attractive large antique Victorian pine kist chest blanket box. A lovely large antique Victorian pine kist chest. We date this kist to the second half of the 19th century. The chest sits on a slightly protruding plain plinth base. There is light writing to the inside edge of the lid for a previous owner - 'Lizzie McConnachie, 21 Queen Street, Dufftown'. The kist comprises a large rear hinged lidded box. It has been upholstered in a light green patterned material at some point in its life. The interior has a large open space with a small shelf and drawer to the left hand side. The kist has a lock fitted, no key is supplied and the material covers the lock opening. The kist has a height of 20.5" (52cm), a width of 36" (92cm) and a depth of 20.5" (52cm). This lovely pine kist remains in very solid condition with only minor surface markings commensurate with age and usage. There is a slight amount of wear and marks to the material from past use, primarily at the corners. This remains a very stylish and functional pine kist which would function well as a toy storage box or a linen chest etc. It will continue to provide good service for many years to come. -----...
