Date of manufacture: 1930

Dimensions

Height = 37 cm (14.6")

Width = 33 cm (13.0")

Depth = 33 cm (13.0")

Description

A superb example of an antique opaline glass pendant light dating from the early 20th century. It is an attractive shape and has its original copper gallery. The light is made to hang from the ceiling on a chain and has been wired with a simple hanging braided flex cord and modern bayonet bulb holder. This makes it easy to adapt or hang over an existing flex. The light is in good condition with no damages apart from a few small nibbles around the rim. It has been cleaned and the copper gallery has been polished. It is ready to install but we always recommend that the light is checked and wired by a professional electrician. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £15.
