Sold**Item Reference: SA64073****Date of manufacture: 1800**

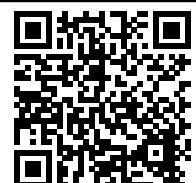

Description

A mahogany longcase clock with an arched hood pediment. Brass capped hood columns and surmounted by 3 brass finials. Chamfered trunk sides and ebonised inlays to the case. An arched painted dial with gilt and floral corners and a country scene to the arch. Date and seconds indicators. An 8-day duration mechanism striking the hours on a bell. The Gantlett family of clockmakers worked in Chippenham, Calne, and Great Sherston. John lived in Didmarton by 1824. The spelling is 'Didmarston' on the dial which is presumably the old spelling. Height 7ft 3" / 222 cms
