Description

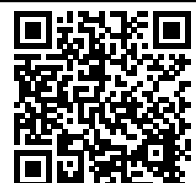

French 19th Century Carved Oak Arm Chair, Throne or Hall Chair This is a superb and intricately carved piece, the chair back has arches and barley twist columns, each with a turned wood spindle in the centre, there are many faces on the back of Lions and Cherubs and a King and Queen and an abundance of scrolls and leaves all over the piece The Chair seat has good upholstery in an Armorial Tapestry design The chair is in generally good condition for it's age, some of the spindles are different to each other but this looks like it was the way the chair was made The Chair is 47" high at the back, 24" wide and 24" deep the seat is 19" high NZ133 Only items dated up to 1920 can be found on Selling Antiques, to see all of our stock including Mid Century and Art Deco post 1920 please view our web site We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
