Description

I am delighted to offer for sale a quality three quarter length oil portrait on canvas of an Aristocratic Lady in all her finery. - ABOUT THE ARTIST The artist, Ulrika "Ulla" Fredrica Pasch, was a Swedish rococo painter and miniaturist, and a member of the Royal Swedish Academy of Arts and was the most famous and successful female artist in Sweden - This beautifully rendered and impressive large scale portrait from the mid 18th Century circa 1750 depicts the lady in a garden setting. - This elegant young lady of aristocratic appearance is portrayed wearing a fine blue silk bodice embellished with satin and with a plethora of colourful flowers gathered within the fullness of her dress. - The palette of blue, white and pink, favoured by the late baroque painters, create the perfect harmony of colour. - This is an attractive image having soft modelling of forms and depicts a gentle oval of the face with slightly rosy cheeks and is the epitome of the Rococo portrait. - FRAMED MEASUREMENTS Height 43.25 Inches (110 cm) Width 35 Inches (89 cm) Depth 2.5 Inches (6.5 cm) - DELIVERY UK Courier (7-10 Days) By Hand Add £80 International Shipping Quotes On Request - TELEPH...
