ALUMINIUM AIRCRAFT HANGER LAMP

Price

Sold

Item Reference: SA641336

Date of manufacture: 1930

Dimensions

Height = 65 cm (25.6")

Width = 70 cm (27.6")

Depth = 70 cm (27.6")

Description

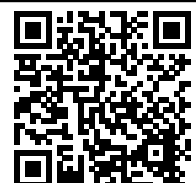

An impressive hanging lamp in polished aluminium. Originally designed for aircraft hangers. Substantial and quality manufacture. Weight just under 9 kilograms. Rewired and PAT tested with substantial mounting bracket and chain. Two available, price is for each. Measurements below are for the lamp alone. Chain length and ceiling fitting an extra 48 cm. Some marks to the Perspex shade as per photos. Fitted with LED "corn cob" style bulbs. Although photographs show lamps out of doors they are not suitable for external use. Additional photographs and information available on request. FaceTime facility available. Please be aware that the item is old and antique and study any photographs, and ask any questions to satisfy yourself as to its condition as much as possible. While we take all efforts to provide something that is fit for the use intended there may be various condition issues that are commensurate with age and considered part of its history, and are very subjective. However, you have legal rights and Consumer Contract Regulations (2014) still apply for "Distance Selling" if this is not a "face-to-face" purchase. Carriage can be arranged at extra cost.
