Description

Regularly seen are the saddle-bags of the Jaf Kurdish nomads with the 'double-headed sunbird' symbol, but salt-bags ('namakdan' in Persian) with this motif are relatively scarce. This very attractive namakdan is in overall very good condition with very slight wear and is complete with plain-weave back depicting a stylized goat at the neck of the bag - charming indeed! Size: 49cm x 33cm (1' 7" x 1' 1").
