Description

Good decorative French dome top gilt mirror with its original mirror glass. The frame has aged nicely with areas of the base red coming through the gilt as you can see from the photos. Good mouldings which are further gilt highlighted. The bottom right corner there is some damage to the mouldings which I have left and the gilding has been touched up to blend. The mirror is really lovely and with it being the original, there is foxing throughout the mirror glass which gives a great effect. With the losses to the bottom right corner, I have priced the mirror accordingly. Measuring: 36 1/2" or 91.5cm high 27 1/2" or 70cm wide Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
