Description

William IV mahogany side cabinet. This William IV mahogany side cabinet was made circa 1830. The well figured top with breakfronts to each end, a feature that makes this side-cabinet even more interesting visually. The cupboard is fitted 2 panel doors in front of the interior that is fitted a shelf. To each side of the superb well flame mahogany panel doors are attractive fluted and turned columns. Cabinets of this type are so functional as they have no wasted space allowing you to store lots of items away while at the same time utilising all the floor space it is using. All measurements are approximate 85cms wide 33 1/2ins 41cms deep 16 1/2ins 90cms high 35 1/2ins. All measurements are approximate. This William IV mahogany side cabinet is a finite item that is a very green product which has not affected the environment we live in. Delivery We can arrange delivery nationwide £75+vat; we also have a very reliable and good delivery service of single or multiple items to Ireland. We can also obtain a quote for items to be shipped overseas. Guarantee This item carries the Hingstons Antiques product guarantee plate which gives you the peace of mind that any item with this plat...
